

# UNDER-VOLT

*"[WITH] A DEEP PROG-LIKE INSTINCT..... THE PAIR CARVED OUT A FINE ARRAY OF DELECTABLE SOUNDS".*  
(METAL MOLE)

*"HEADS DOWN, NO NONSENSE, GUITAR 'N' DRUMS RIFFERAMA"*  
(BLUES ENTHUSED)

FORMED IN 2020, UNDER-VOLT IS A PROGRESSIVE, BLUESY, GRUNGE DUO FROM EDINBURGH, SCOTLAND.

BAND MEMBERS JED POTTS (GUITAR/VOCALS) AND VINI BONNAR (DRUMS/VOCALS) PLAY MUSIC WITH A STRONG FOCUS ON SONGCRAFT. THEY HAVE BEEN COMPARED TO BLACK SABBATH, SOUNDGARDEN, LED ZEPPELIN, TOOL, AC/DC, MASTODON, ALICE IN CHAINS, ZZ TOP AND RUSH.

WITH OVER 50 YEARS COMBINED LIVE AND STUDIO EXPERIENCE (WITH BANDS SUCH AS BOMBSKARE, JED POTTS & THE HILLMAN HUNTERS, THE KATET, THUNKFISH, SWAMPFOG, ENGINES OF VENGEANCE AND CLOTH CAT), JED AND VINI UTILISED THE UNEXPECTED FREE TIME OF THE PANDEMIC TO FORM UNDER-VOLT.

THE TWO-PIECE FORMAT ALLOWED A MORE STREAMLINED APPROACH TO SONG WRITING AND VERY QUICKLY A FULL SET OF ORIGINAL MATERIAL WAS CREATED, WITH THE BAND PERFORMING THEIR FIRST SHOW AT LEGENDS, EDINBURGH, IN OCTOBER 2021.

THE DEBUT UNDER-VOLT ALBUM 'LET'S JUST GO' WAS RELEASED ON WASTED STATE RECORDS IN APRIL 2023.

THE BAND WILL RELEASE THEIR 2<sup>ND</sup> ALBUM IN LATE 2026
